MIRESBALL DESIGN OFFICES BY BELLS AND WHISTLES

MiresBall Design Offices by Bells and Whistles

BEHIND THE DESIGN

The new 8,500 SF office for the brand design firm, MiresBall, was completed in March 2011 by the design team of Bells & Whistles. Reclaimed wood, blackened steel, glass and Baltic birch were used along with an open floor plan to create this loft-like, industrial office space. All elements of the space including the desk systems, meeting area magnetic
